## SULPHATE OF POTASH

*(K<sub>2</sub>SO<sub>4</sub>, also known as SOP, or potassium sulphate)*

### IDENTIFICATION OF PRODUCT

Product name: Sulphate of Potash (SOP).

Supplier/ exporter: Golinse Co., Ltd. 1 Street 4, Linh Tay Ward, Thu Duc, Ho Chi Minh City, Vietnam. Tel: +84-878020222. Email: [services@golinse.com](mailto:services@golinse.com)

Country of origin: Vietnam.

### GUARANTEED INGREDIENTS

Potassium as K <sub>2</sub> O	Sulfur (S)
50% Min	18% Min

### BENEFIT FOR USE

Providing a source of sulfur as well as potash;

Excellent alternative to standard potash in crops, where chloride is a concern.

### PACKING & LOADING

25kgs, 50 kgs bag and 1,000 kgs – 1,350kgs jumbo bags.

Loading: 20 – 27 MTS/ 01 x 20FCL.

**STOREGAE CONDITION:** Just keep cool and dry.

**SHELF LIFE:** 36 months from manufacturing date.
